DETAILED ACTION

Response to Amendment and Arguments

1. Applicant's amendment filed on July 15, 2010 has been entered and made of record.
2. Upon further consideration and in view of Applicant's amendment and Arguments, see pages 10-14, filed on July 15, 2010, with respect to claim rejections under 35 USC 101, such rejections have been withdrawn herein.

Specifically, claim 25 is a mean-plus-function type claim and the instant specification discloses sufficient structure and algorithm (processor and software) so claim 25 as well as its dependent claims 26, 32 and 35 are no longer subjected to 35 USC 101.

Furthermore, claim 28 is directed to an apparatus type claim and said apparatus is also recited in the body of the claim at last line for outputting the compressed digital image information. While claimed generator and compressor are referred as software according to the instant specification as pointed out in the previous Office action, claim further recites an apparatus as pointed out above, thus claim 28 as well its dependent claims 29, 33 and 36 meet 35 USC 101 requirements.

Allowable Subject Matter

3. Claims 1-12, 25-26, 28-29 and 31-36 are allowed.

The following is an examiner's statement of reasons for allowance: Reference is made to paragraph 8 of the previous Office Action mailed on 4/28/2010 as to the reasons for allowance of these claims 1-12, 25-26, 28-29 and 31-36.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duy M. Dang whose telephone number is 571-272-7389. The examiner can normally be reached on Monday to Friday from 6:00AM to 2:30PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Matthew C. Bella can be reached on 571-272-7778. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
